Seasonal Job Opportunity “Mosquito Control”

The Salt Lake City Mosquito Abatement District (SLCMAD) is a local governmental entity serving the citizens of Salt Lake City. The mission of the SLCMAD is the enhancement of health and quality of life through the suppression of mosquito transmitted diseases and the reduction of annoyance levels caused by biting mosquitoes.

The SLCMAD is seeking several motivated individuals to work as Vector Control Technicians during the 2016 mosquito season.

Responsibilities: Inspecting for and treating areas containing mosquito larvae; sampling of mosquitoes from various habitats; tracking daily activities and entering data using handheld GPS equipment.

Required skills and abilities: Good interpersonal skills and communication ability; ability to be at work on time; valid Utah driver's license, with a good driving record; must be physically able to carry a backpack sprayer with a 4 gallon load while walking over uneven terrain in rubberized boots.

Beneficial Skills: Likes to work outdoors; capability to learn to operate all-terrain vehicles.

Time Commitment: 40 hours per week, ranging from May 1 to August 31, with potential to extend further.

Benefits: \$10.50 an hour starting; on the job training; possible additional summers of employment.

Contact: Please contact Ary Faraji (ary@slcmad.org) for further information and application packet.

Got Zika Virus?

No? Good!
